See attachment for the amendment being non-responsive.

## DETAILED ACTION

### *Response to Amendment*

1. The reply filed on 11/25/05 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The amendment introduces non-elected claim language in claims 1-7, which make the amendment non-responsive to the last office action mailed on 7/25/05. Species elected have figures 6-8, unclear how the first tooth extends towards the second side of the body and how the second tooth extends towards the first side. Furthermore how does the seal body have at least one second tooth extending from a region on the first end proximate an intersection between the first end and the second side. Further the amended claim language is not shown in the drawings. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
